With summer here, celebrations and outdoor ceremonies are in full force. It was great to see so many attend the Memorial Day Ceremony. The weather didn't cooperate, however the Recreation Department was ready, and prepared a wonderful ceremony inside the Senior/Community Center. Master of Ceremonies, Art Davey, presented the Memorial wreaths and sponsors were all in attendance. The Girl Scouts and Boy Scouts waved their Memorial Flags, and we honored those who fought for our independence. I was proud to speak again at this moving ceremony. The Holmdel High School Band entertained us and they were terrific. After the ceremony, everyone went out to the parking lot to unveil, the first of hopefully many, Wounded Warrior Designated Parking Spots. Look for the signs around town, and thank the service person who parks in this spot.

Summer also means Holmdel Swim Club! Lead by Bob Ward, the Director of Recreation, and his team, the club opened Memorial Day Weekend, and thanks to great weather, it has been well attended every weekend thus far!

We were happy to host the 2nd annual Daddy Daughter Campout on June 17th, and there were many in attendance. We participated in father/daughter races, talent show, cookout and more! It was a great event! I also "camped out" at Project Graduation, spending a memorable evening with our new graduates as a chaperone. Congratulations to all!

Our Bell Works Networking night for our Holmdel seniors and graduates was fantastic. There were over 400 students in attendance and about 45 employers. There has been great feedback from both sides.

Our Township Committee continues to protect our residents with regard to the JCP&L proposal. We will keep you updated and urge you to contact your state officials as listed in our statement in my electronic Newsletter. There is also great Bell Works news in there too. If you are not receiving the monthly electronic newsletter, please contact Deb Brew: 114htwp@gmail.com to have your email added.

Holmdel Foundation for Education Excellence hosted their 5K, and Kids Fun Run at Bell Works. It was another great family event attended by many. Over 300 participants led by Committeeman Mike Nikolis carrying the American Flag ran to raise money for our schools. Thank you for another great event bringing our community together!

Mayor Eric J. Hinds

I have attended many events in addition to those listed,. The Unified Games Sports Expo, Older Americans BBQ, 46th Anniversary of Half Century Club, the dedication of the Egyptian Church addition and the Bell Works BizNow Conference where I introduced many businesses to Bell Works opportunities, and I'm happy to do so.

I am so proud of all the accomplishments of our Township and its residents. We continue to move forward making Holmdel even better..GREAT! Enjoy your summer!

On Behalf of the Holmdel Township Committee

MAYOR, ERIC J. HINDS

The month of May is traditionally set aside each year to recognize with gratitude the achievements and contributions of senior citizens. It is an excellent time to focus attention on the experiences of older Americans and on the efforts of those who have worked to preserve the security, health and independence of our nations elder, including individuals and organizations who have joined with the aging network in collective efforts to enhance vital services for at risk elderly in their community .

In today's environment, it is imperative that Holmdel Township has the resources to contact its residents in an emergency. It is also important that residents have the opportunity to choose the method by which they wish to be notified. We are contracted with Civic Ready .

We ask that all residents, and business owners, logon to the Township's website at www.holmdeltownship-nj.com or the Police Department site www.holmdelpolice.org to sign up. You can choose which type of message you wish to receive, i.e. emergency alerts and/or general announcements both from the Police Department and the Township.

Does your home need repairs? Funding is available through the Holmdel Home Improvement Program

- The purpose of the program is to financially assist low and moderate income households with substantial repairs or replacement of major systems such as roofing, heating, electric, plumbing, foundation and/or windows.
- Assistance is provided in the form of a ten-year, forgivable loan up to $22,000, as needed.
  - No monthly payments
  - No interest charged
  - No cost to apply and it does not affect your credit score

EQUAL HOUSING OPPORTUNITY

- CGP&H, a consulting firm specializing in affordable housing programs, administers the program for the Township. CGP&H's professional inspectors work with program participants to identify needed repairs and to monitor construction completion.
- Homeowners should look on the Township's website for basic program information including income guidelines. The maximum allowable income ranges from $51,864 for a one-person household to $97,800 for an eight-person household. In other words, to participate in the program, your household income must be below the program income limits for your applicable household size. Your financial information is kept confidential.
- Funds are provided on a first-come first-served basis until all funds are expended. The Township encourages homeowners to go to www.hip.cgph.net to get more program information and to quickly and easily submit a pre-application. You will then be placed in the applicant pool and receive an application package. For additional questions, call (609) 664-2783, or e-mail dlandri@cgph.net.
- Local general contractors interested in the program are encouraged to get an application for construction opportunities at www.hip.cgph.net.

Bell Works Building.....

iCIMS, a leading recruitment software provider is relocating and moving the company's headquarters to the redesigned Bell Works building in the summer of 2017.

On July 20, 2016 iCIMS and Somerset Development held a lease-signing ceremony where the technology company is set to occupy 350,000 square feet of space. The company's continuous advancements, needs space to house its rapidly growing operations, and its desire to keep its workforce together in one corporate campus. iCIMS is an ideal anchor tenant for the Bell Works community.

ENGINEER'S REPORT

Edward G. Broberg, P.E.
Holmdel Township
Engineer

Bell Works Site Improvements

Substantial improvements are being installed at the Bell Works site on Crawford's Corner Road. Utility improvements, lighting, pavement repairs, and pavement resurfacing are progressing according to schedule.

Laurel Avenue Closing

New Jersey Transit has scheduled minor improvements to the rail road bridge that crosses Laurel Avenue south of Rt. 35. The project will require the closing of Laurel Avenue sometime this summer. The duration of the closing and the schedule of work has yet to be determined. More information will follow on the Township's website and appropriate agencies will be notified.

Holmdel Fields

Holmdel Fields is a 19 lot subdivision that lies of Holmdel Road, just south of Roberts Road. It consists of 19 large lot single-family homes. Infrastructure work is on-going and two homes are under construction.

2016 Road Program Underway

Plans for the 2016 Road Program are nearing completion and the project will be advertised in July. Construction is expected to start in September and will continue into November or December, depending on weather conditions. The project will be completed in the spring of 2017. The project includes work on Deer Path, The Wildhedge Subdivision Part 1, Jockey Hollow Court, Ashley Drive, South Beers Street Part 1, Stillwell Road, Van Brakle Road, Crawfords Corner Road and Middletown Road.

Chipotle Grill Site Plan

The Chipotle Grill Site Plan lies at the intersection of Route 35 and Union Avenue. The parking lot is paved and substantial progress is being made on the building.

Palmer Avenue Improvements

The Township of Holmdel will enter into an agreement with the County of Monmouth for certain improvements on Palmer Avenue that are intended to alleviate the flooding conditions that are affecting both Middletown and Holmdel residents. The construction is expected to take place sometime in 2017.

2015 Road Program Continues

The 2015 Road Program was started last fall and will be completed this summer. Work was recently completed on Line Road, Cambridge Drive, Winchester Lane and several smaller streets. Crawfords Corner Road between Longbridge Road and Falcon's Ridge Circle will be paved at night late in July. Night paving is being utilized to minimize the impact on local residents.

The Reserve Subdivision

Site work is progressing on the Reserve Subdivision on the Bell Works Site. This project consists of 40 large lot single-family homes and is being built by Toll Brothers.

Regency Townhomes

Work is progressing on the infrastructure for the construction of 185 age-restricted townhomes by Toll Brothers. The project is located on the Bell Works Site.

Cross Farm Landscaping Improvements

Several local businesses recently contributed approximately 100 shade trees and various plantings for the southern portion of Cross Farm Park. The trees are being installed and watered by the Public Works Department and will improve the overall appearance of the park.

Businesses Donate Trees

Several Township businesses contributed shade and conifer trees toward the completion of the landscaping at Cross Farm Park. The majority of the trees were installed in the southern section of the park by the Department of Public Works. These trees will drastically improve the appearance of the park for future generations.

Holmdel Township
POLICE DEPARTMENT

Problem: Children die each year from heatstroke, after being left alone in a vehicle. You live by your daily routine and it helps you get things done. Be extra careful, though, if you have to change any part of that routine. This is more likely to happen when you, your spouse/partner, or caregiver who helps with your children, forgets that a child is in the back seat. This can and does happen when you break a well-established routine.

Disasters Happen Quickly

At other times, you are on your way home and realize you need to stop in at the store and pick up one or two things for dinner. So, you leave your child unattended, thinking, "I'll just run into the store for a minute," which is illegal in many States. Even cool temperatures in the 60s can cause the temperature to rise well above 110° Fahrenheit inside your car. The inside temperature can rise almost 20 degrees within the first 10 minutes.

Some children die in hot cars after climbing into an unlocked vehicle without an adult's knowledge. Once in the vehicle, they may become confused by the door opening mechanism or trapped in the trunk, and unable to get out before heatstroke occurs.

Prevention Tips

- Never leave a child unattended in a vehicle.
- Do not let your children play in an unattended vehicle. Teach them that a vehicle is not a play area.
- Never leave infants or children in a parked vehicle, even if the windows are partially open.
- Make a habit of looking in the vehicle - front and back - before locking the door and walking away.

What you need to know, now

- Vehicles heat up quickly - even with a window rolled down two inches, if the outside temperature is in the low 80s° Fahrenheit, the temperature inside a vehicle can reach deadly levels in only 10 minutes.
- Children's bodies overheat easily, and infants and children under four years of age are among those at greatest risk for heat-related illness.
- Children's bodies absorb more heat on a hot day than an adult. Also, children are less able to lower their body heat by sweating. When a body cannot sweat enough, the body temperature rises rapidly.

Dangers of Extreme Heat

- Symptoms of heatstroke: Warning signs vary but may include: red, hot, and moist or dry skin, no sweating, a strong rapid pulse or a slow weak pulse, a throbbing headache, dizziness, nausea, confusion, being grouchy, or acting strangely.
- If you see a child alone in a hot vehicle, call the police. If they are in distress due to heat, get them out as quickly as possible. Cool the child rapidly. Call 911 or your local emergency number immediately

Holmdel Police Canine Officer *Joseph Van Pelt*, and his partner Cairo, attended the United States Police K-9 National Certification/ Competition held in Philadelphia on June 10th through 12th. This three-day competition tests the K-9 Team's ability to effectively and proficiently locate the exact sources of Narcotic Training Aids that have been placed on vehicles and in buildings. National Judges test the performance of the Handler and K-9.

The Department is very proud that Officer Van Pelt and K-9 Cairo finished with an overall score of 193.4 and placed 9th in the Nation for Narcotic Detection.

PETITE EQUESTRIAN PROGRAM

(ages 3 to 6)

Bayonet Farm *August 15-18, 2016* Monday– Thursday 3:00-4:30pm

Participants will learn safety on and around the ponies, grooming techniques, basic riding skills, and other primary horsemanship skills. While this is not a Horseback Riding lesson per say, the program includes an exciting riding component whereas each child will get to ride about 20 minutes and learn how to properly mount, dismount, hold the reins and control the horse/pony at the walk and a few steps of trot. Sessions aim to help develop confidence and motor-coordination skills while providing a supportive, fun, non-threatening environment for the participants as well as social interaction between them. This is a participatory program for parents who so desire so one may be asked to occasionally lend a hand. Parents/guardians must stay on location during the Program. The perfect preparation for private or semi-private lessons for eager young aspiring Equestrians or for subsequent, more advanced Pony programs!

$215/person (resident); $235/person (non-resident)

PONY GROOMING & RIDING PROGRAM

(ages 7 to 13)

Bayonet Farm August 15-18, 2016

Monday– Thursday 4:45-6:45pm

This unique 4-day Program provides an exciting and inexpensive hands-on introduction to the wonderful world of equines in a fun-filled and supportive atmosphere. Pony Share uses camp-trained ponies and cobs, smaller and easier to handle than their larger equine counterparts. *Small groups of 4-5 children are formed according to age and prior experience –if any.* After reviewing safety rules, material previously covered and learning a new subject matter, participants are assigned their size-related pony or cob and each small group works under the tutelage of a qualified and motivated Counselor. Some of the horsemanship matters covered may include: ***Safety on and around horses, Basic Anatomy, Equine Senses & Body Language, Grooming, The Tack and Harness, English and Western styles, Barn Management and Careers in the Industry.*** Participants also get to ride or drive their charges for about 20 minutes during each Session. This Program enhances team work, self-esteem and camaraderie while helping develop a genuine appreciation and respect for the animals. Course Materials are provided.

$260/person (resident); $280/person (non-resident)

Space is limited!

TOTAL PLAY MULTI SPORTS CAMP

(ages 5-11)

Experience over 16 different sports from around the world including, soccer, basketball, lacrosse, volleyball, cricket, floor hockey and more at this camp. RECYCLING

HOME - GENERATED MEDICAL WASTE

- Keeping syringes out of the waste stream is important to every New Jerseyan. According to the New Jersey Department of Health, an enormous number of syringes and lancets wind up in New Jersey's garbage, polluting the environment and creating a hazard.
- Many area hospitals have instituted programs for handling syringes and needles (sharps) from those qualifying as home self care generators. Home self-care is strictly defined as the provision of medical care in the home setting (private residence) through either self-administration practices or administration by a family member or other person who does not receive monetary compensation for his or her services.
- Participating hospitals are supplying containers which, when filled, must be returned to the hospital, and a new container will be issued.
- Sharps are then disposed of with regulated medical waste generated on the hospital premises. This container and disposal service is free; however, a small deposit may be charged on the first container. Some pharmacists have information on the **BLUE NEEDLE BOX** program. Check with yours for details.

Many sharps have been turning up in recyclable plastic soda bottles. This practice is dangerous to workers handling recyclables.

Holmdel Township to Recycle Styrofoam at DPW

The Township will be accepting for recycling purposes polystyrene, commonly known as Styrofoam under an initiative spearheaded by our Green Team in conjunction with Mayor Eric J. Hinds.

On Saturday, October 15, our Department of Public Works Recycling Center at 14 Crawfords Corner Rd. will house a large container clearly marked for the collection of Styrofoam. Residents can bring excess polystyrene materials there during the operating hours of 8:00am - 2:00pm.

For this recycling program, all polystyrene must be white, clean and dry. Not accepted are egg containers, any polystyrene that is not white, has tape, stickers or cardboard attached or is wrapped in plastic or paper. Dirty or wet Styrofoam and packing peanuts will not be accepted.

PROJECT MEDICINE DROP

Since its launch in November 2011, Project Medicine Drop has become a key component of the State's efforts to broaden public awareness about prescription drug abuse and curb the misuse of prescription drugs. This Program allows New Jersey residents to dispose of unused and expired medications anonymously.

Holmdel Police Department houses a permanent drop off box for unwanted/expired medications was granted. The box is located in the lobby of Police Headquarters, and can be accessed 24 hours a day, 7 days a week.

Acceptable drop box items: pills, capsules, patches and pet medications. Unacceptable items: liquids, syringes.

Medications can be in the their original containers or loose. Labels may be removed if there are privacy concerns.

RECYCLING

Holmdel's ***Large Item Drop Off Program.*** It gives residents an opportunity to dispose of their unwanted bulky items. This service is provided at Holmdel's Department of Public Works on the 2nd and 4th Saturday during the months of April, May, September and October between the hours of 8:00am-2:00pm. There is only one drop off in the months of June, July and August. The dates of the season are as follows: **August 13, Sept. 10/24 and October 8/22**. A listing of acceptable/non-acceptable items can be found on our website; www.holmdeltownship-nj.com or by calling 732-946-2820 x 1956.

Holmdel Township does not accept, at any time, hazardous waste materials. They can be brought to the Monmouth County Reclamation Center located at 6000 Asbury Ave., Tinton Falls. For further information visit the County's website at www.co.monmouth.nj.us or call 732-683-8686 ext 3.

WHY RECYCLE? Municipalities in Monmouth County generate tons of garbage each year. Most of it is transported to the landfill in Tinton Falls, where it will stay forever. Special steps are taken to make sure that odor, pests and generated gases are controlled and that fluid run-off does not pollute our groundwater.

Currently, only about 52% of the garbage in Monmouth County is recycled. Recyclable items do NOT go to the landfill, which saves money and protects the environment. Recycled items can also be made into new products.

Leaves and Grass Clippings··· DO NOT DISPOSE WITH HOUSEHOLD TRASH. Un-bagged leaves are picked up in the fall and spring. Grass clippings can be left on the lawn or added to compost piles.

Car Batteries and Motor Oil··· Car batteries can be brought to a scrap yard. Motor Oil can be brought to HHW facility, or local service stations.

Propane Fuel Tank Disposal (FEES: $0-$10)···

Propane tanks bought prior to 1998 DO NOT have overfill valves. Those tanks will need to be recycled. Many propane tank retailers offer credits of up to $20 when trading in an old BBQ for a new filled tank, e.g. gas stations, home improvement centers.

SUMMER/ FALL COUNTY PAPER SHREDDING EVENTS

"We are happy to offer these events for responsible paper disposal which will help residents reduce the risk of identity theft," said Freeholder Deputy Director Serena DiMaso. "The County continues to be proactive in removing recyclables from our waste stream and we encourage residents to do their part by making use of these events and all other county services for proper waste disposal."

All shredding events will be held from 9 a.m. to 1 p.m. as follows:

- Aug. 6 – Spring Lake Heights Elementary School, 1110 Highway 71
- Aug. 13 – Long Branch High School, 404 Indiana Ave.
- Sept. 17 – Freehold Township Municipal Building, One Municipal Plaza
- Oct. 1 – Colts Neck Municipal Complex, 124 Cedar Dr.
- Dec. 3 – Belmar Public Works, 805 13th Ave.

County residents may bring up to 100 lbs. to be shredded. The shredding event will stop once the shredding truck is full. All papers will be shredded on location in the mobile truck. Documents should be free of large binder clips; staples and paper clips may be left on documents.

Information about these paper shredding events, recycling and removing other items from the County' s waste stream may be obtained from the County' s website at www.visitmonmouth.com or by calling 732-683-8686, ext. 6721.
