Dear Business Owner:

The Holmdel Fire Department has entered into an agreement with the KNOX Company of Phoenix, Arizona to provide a "Rapid-Entry System" key box for public buildings within Holmdel Township.

We are requesting that you install a "KNOX Box" at an easily accessible location your place of business to expedite 24-hour emergency access to this building. The preferred location would be by the front entrance to the business or the door closest to the fire alarm panel and/or fire sprinkler system controls.

We would prefer that you install a hinged door box with tamper switch, such as Part No. 3262, 3264, 3266, 3271, 3273, or 3275.

Should you have any questions, please contact me at 732-946-2820, ext 1315.

Sincerely,

David Olsen  
Fire Official
