

As we welcome in 2022, we first want to thank you for choosing us to serve as your Township Committee!

The Holmdel community came together in many ways as the state and country opened up following the pandemic. We supported our local businesses, ensured that our children were prepared to return to in-person learning, and found creative ways to recreate and connect with each other.

The Township has accomplished a great deal in 2021. The Senior Vaccine Accommodation Program enabled nearly 20% of our senior residents to get the COVID-19 vaccine in the early days of last Spring. We continued our road paving program, making travel in Holmdel safer and easier. The ADA accessible playground at Allocco Park was completed, ensuring that all of our children have access to our recreation facilities. And just last month, we launched the Holmdel Veterans Initiative, a one-stop dashboard for veterans to locate services, discounts, events, and benefits.

We encourage our residents and businesses to continue to move **Holmdel Forward**, and have a happy holiday season!

Best Regards,

**Mayor Greg Buontempo and the
Township Committee**
